SPEAKING & PROFESSIONAL DEVELOPMENT

Dr. Robin Netherton

Practical learning. Something to use tomorrow.

Educator | Principal | Speaker | Alabama

Principal of Vinemont High School in Cullman County, Alabama, with more than 20 years in public education. Sessions focus on AI, educator time, leadership, school culture, and data-informed instruction.

Ph.D., The University of Alabama - Department of Educational Leadership, Policy, and Technology Studies. Doctoral research on school leaders and data-informed instruction (2024).

Speaking experience: Over 15 years leading school-based professional development, school and community assemblies, aspiring administrator academies, and more.

Presentation experience: Presented The Prompts Leaders Are Actually Using at AI Build Day in Nashville, October 2026.

Published research: "Nebraska," Journal of Education Human Resources, 43(S1), 89-92 (2025). DOI: 10.3138/jehr-2024-0068.

Practical AI for Busy Teachers

Practice with a real classroom task. Leave with a reusable CRAFT prompt, review checklist, and draft to refine.

Helping Educators Reclaim Their Time

Simplify work that crowds out teaching. Leave with a task audit and a plan for one recurring responsibility.

Leadership Systems for Busy Principals

Bring clarity to meetings, delegation, and follow-through. Leave with a template and a focused next-step plan.

Building a Strong and Resilient School Culture

Strengthen everyday habits of connection and support. Leave with a reflection tool and a culture action plan.

Data-Informed Instruction Without Losing the Human Element

Connect student work to instructional decisions. Leave with a team discussion protocol and a focused data conversation plan.

Formats: Keynote (45-60 min) | Workshop (90-120 min) | Half-day (about 3 hours) | Virtual.

Audiences: Teachers, instructional coaches, principals, district teams, and education organizations. Topic, timing, availability, fees, travel, and technical needs are confirmed for each event.
